Experience

Creative It Institute

16th August 2023 – 9th November 2023

Internship as Backend Developer in web Development with Python Django

Job Responsibilities :

A web Developer's primary responsibility is writing code to create a website. So, I must be adept at using different programming practices, languages and tools to effectively produce a quality product. Furthermore, I must adhere to the modern standards and ethics of web development. The developer must keep a reusable and readable code environment that is easy to change or debug. So, I must update the software on a frequent basis to maintain an adaptive coding structure.

Achievement :

- Created a E-commerce project with Python Django Framework.
- Created a social media with Python Django Framework.

Educational Qualification

- Diploma in Computer Science & Engineering from "Munshiganj Polytechnic Institute" with a GPA 3.84 out of 4.00
- SSC in Business Studies group from "Mirkadim Hazi Amjad Ali High School" in 2019 with a GPA 4.17 out of 5.00

Co-Curricular Activities

- Travelling.
- Singing.
- Reading books.
- Gardening.
